View crop **Data sheet** EcoPort

## *Capsicum annuum*

**Description**

| | | | |
|---|---|---|---|
| **Life form** | herb | **Physiology** | |
| **Habit** | erect | **Category** | vegetables, medicinals & aromatic |
| **Life span** | annual | **Plant attributes** | grown on large scale |

**Ecology**

| | Optimal | | Absolute | | | Optimal | Absolute |
|---|---|---|---|---|---|---|---|
| | Min | Max | Min | Max | **Soil depth** | medium (50-150 cm) | medium (50-150 cm) |
| **Temperat. requir.** | 17 | 30 | 8 | 35 | **Soil texture** | medium, organic | medium, light |
| **Rainfall (annual)** | 600 | 1250 | 500 | 1700 | **Soil fertility** | moderate | moderate |
| **Latitude** | - | - | 50 | 50 | **Soil Al. tox** | | |
| **Altitude** | --- | --- | - | 3000 | **Soil salinity** | low (<4 dS/m) | medium (4-10 dS/m) |
| **Soil PH** | 5.5 | 6.8 | 4.5 | 7 | **Soil drainage** | well (dry spells) | well (dry spells) |
| **Light intensity** | very bright | very bright | very bright | cloudy skies | | | |

| | | | |
|---|---|---|---|
| **Climate zone** | tropical wet & dry (Aw), tropical wet (Ar), subtropical humid (Cf), subtropical dry summer (Cs), subtropical dry winter (Cw) | **Photoperiod** | short day (<12 hours), neutral day (12-14 hours) |
| **Killing temp. during rest** | no input | **Killing temp. early growth** | no input |
| **Abiotic toler.** | | **Abiotic suscept.** | |
| **Introduction risks.** | | | |

**Cultivation**

| | | | Min | Max |
|---|---|---|---|---|
| **Product. system** | home garden, large scale/commercial, protected cultivation | **Crop cycle** | 60 | 180 |
| **Cropping system** | **Subsystem** | **Companion species** | **Level of mechanization** | **Labour intensity** |

Alternatives (at most 5)

**Uses**

| Main use | Detailed use | Used part |
|---|---|---|
| food & beverage | vitamins | fruits |
| food & beverage | minerals | fruits |
| food additive | condiment/seasoning | fruits |
| medicinal | digestive system applications | fruits |
| medicinal | blood system applications | fruits |
| medicinal | muscular/skeletal applications | fruits |

medicinal skin applications
